News Release

From: Moberly Police Department
660-263-0346

Date: March 17, 2020

The Moberly Police Department is taking a proactive approach to help minimize the spreading of COVID-19 to its citizens and officers. Starting immediately, the Moberly Police Department will respond to non-emergency or non-life threatening calls for service by phone, opposed to the traditional approach of sending an officer out to take the information. We will also be utilizing on-line reporting that you can find on the Moberly Police Department's website, "*File Online Police Report*". We will respond to calls where the risk of life and safety are concerned. Officers will follow CDC recommended guidelines for safe distance and may utilize personal protective equipment. Providing services to our citizens is our upmost priority and we will continue to provide the services you have grown to expect. We appreciate your patience and cooperation in this matter. To make a report contact the Moberly Police Department at 660-263-0346 or if it is an emergency call 911.
